53
Programs offered to...

764
Iowa families statewide

TOGETHER, WE HELP THEM:

“From the My Journey Book handed to us at diagnosis, to Beads4Bravery, to camp, Children’s Cancer Connection has been there to support our family. CCC allows us to connect with other families and kids who understand our journey. It’s especially important for our daughter to be with kids who appreciate what she’s been through.”

-Kristin Geber, Alice’s Mom
